General Disclaimers

This material was prepared by LPL Financial.

Securities and advisory services offered through LPL Financial (LPL), a registered investment adviser and broker-dealer (member FINRA/SIPC). Insurance products are offered through LPL or its licensed affiliates. To the extent you are receiving investment advice from a separately registered independent investment adviser that is not an LPL Financial affiliate, please note LPL Financial makes no representation with respect to such entity.

- Not Insured by FDIC/NCUA or Any Other Government Agency - Not Bank/Credit Union Guaranteed - Not Bank/Credit Union Deposits or Obligations - May Lose Value

LPL "Official" Statements: This is not an official LPL Financial ("LPL") statement. This report has been prepared by your financial professional for informational purposes only, and does not replace the statements you should receive directly either from LPL or from the investment sponsors for which LPL is the broker-dealer of records for any other outside custodians. The report estimates the total value of your investments reflected on your account statements and the value of any investments held away from LPL. If you have provided information to your financial professional that allows values for those investments to be estimated, this report has been prepared from data believed to be reliable, but its accuracy and completeness is limited by the data available to LPL and the accuracy of the data provided for assets held away.

The report may include securities held in your LPL account(s) and securities held directly by an outside sponsor. Information regarding outside securities positions is limited because it is provided by a third-party source. There also are differences in the way each outside securities position is reflected based on the data provided to LPL. If available, market value is reflected for these outside positions, but performance is not calculated for all outside securities positions. Information regarding outside securities positions is limited because it is provided by a third-party source.

The combined total market value on this report may exceed the actual value of the investments.
