Amendment Reason

Explanation of changes why are you amending your previous form 6 submission?

On May 9, 2025, I attended a webinar regarding the filing of financial disclosures, and realized I had omitted assets that were required to be disclosed. These assets are things that I do not consider my own because they are my children's, grandparents', and parents'. For example, my children's custodial checking accounts and 529 college savings plans are for them, not me, and are only to be used for their benefit. Likewise, I am the signatory on a number of accounts to assist my grandparents and parents, but if I used these funds for my own personal use then it would be theft. Because these are not "my" assets, I did not previously disclose them, but after the training I learned that the State of Florida/ Commission on Ethics views these assets differently and they were to be disclosed. As such, I am correcting my prior oversight and have added all the assets that I now understand needed to be disclosed.
