¹ Securities with intra-day activity will not display information in the following data fields: Trade Date, Cost Basis/Current Face Value, Total Cost, Unrealized Gain/Loss \$, Unrealized Gain/Loss %, and Today's \$ Change values. Securities with intra-day activity will also be displayed in italics.

² Morningstar Ratings should not be considered "buy" or "sell" recommendations. The ratings are subject to change monthly. The prospectus, which you have already received, should be consulted before you consider continued investment in the fund.

Please note, Morningstar provides an extended performance rating for some mutual funds in its universe. Share classes that do not have a 1, 3-, 5-, or 10-year performance history may receive a hypothetical Morningstar Rating based on the oldest surviving share class of the fund. Morningstar computes the funds' new return stream by appending an adjusted return history of the oldest share class and the extended performance rating is determined by comparing the adjusted-

The market value for options is based on the current bid/ask. Where applicable, the change in price is based upon the last actual trade.

These valuations reflect securities or assets held in your account. The prices indicated are obtained from sources considered reliable, but may not represent actual market values. For bonds that receive principal paydowns, bond valuations may change before principal payments are received from the issuer. As a result, understated account valuations

Cost basis for fixed income tax lots has been amortized (for securities purchased at a premium) or accreted (for securities purchased at a discount), when possible, for applicable securities.

The Consensus Rating represents the majority rating of more than 700 financial institutions (brokers, investment banks and independent research firms) worldwide that follow a particular security. The consensus rating may not reflect the rating that Wells Fargo Securities, LLC, or Wells Fargo Advisors' correspondent research providers assign to a particular security, nor

Consensus Ratings are provided by Analyst Coverage. Wells Fargo Advisors did not assist in the preparation of the consensus information, and its accuracy and completeness are not guaranteed.

Please Note: During the late evening and early morning hours, weekends, and holidays, account balances may fluctuate significantly and not reflect accurate values due to pricing updates received throughout the night.

Estimated annual income/yield: Estimated Annual Income (EAI), when available, reflects the estimated amount you would earn on a security if your current position and its related income remained constant for a year. Estimated Annual Yield (EAY), when available, reflects the current estimated annual income divided by the current value of the security as of the

Protect Your Data

Maintaining the security of your account is important. In addition to the strict security measures and procedures we take to limit risk, below are commonsense steps you can follow to protect your account:

- **Keep all contact information (including mobile number) up to date** so that we may contact you quickly if we suspect suspicious activity.
- **Update security software on any device you use to access your account.** Use a private device and a protected wireless connection.
- **Choose a password that you'll only use for this account.** Don't save your logon information on a device.
- **Do not share your account access or logon information** with anyone, including friends and family.
- **Contact us immediately if:**
 - Your account logon information was compromised or your account-related information was affected by identity theft (for example, if someone's using your credentials to impersonate you).
 - You receive any communications about suspicious account activity.
