Amendment Reason

Explanation of changes why are you amending your previous form 6 submission?

The sole amendment is to correct an inadvertent error in the mathematical computation of net worth. I erred in the longhand subtraction of \$1,590,899.68 minus \$515,502.00 to be \$975,397.68. This is a math error. The total value of all assets (\$1,590,899.68) minus total amount of liabilities (\$515,502.00) equals \$1,075,397.68. Therefore, the corrected net worth computation equals \$1,075,397.68. There are no other amendments to the Form 6. After correction of the net worth computation, the system required insertion of the information again for assets, liabilities, and income.

Signature of Reporting Official or Candidate

Under the penalties of perjury, I declare that I have read the foregoing Form 6X and that the facts stated in it are true.
