Amendment Reason

Explanation of changes why are you amending your previous form 6 submission?

I updated the asset section to reflect my primary residence and added my vehicles to the personal good amount. I did not realize I had to list these items, as I was making payments, so I had only listed them as liabilities. I also corrected the amount for my 401k and listed the investment account names instead of "401k". This changed my net worth amount so that was also amended.

Signature of Reporting Official or Candidate
