Amendment Reason

Explanation of changes why are you amending your previous form 6 submission?

After speaking with the attorney at Ethics this year(2025), I was informed that I should have separated the retirement accounts individually to show correctness. I also was informed that the vehicle, camper and lawnmower loans should have been counted in the assets also. I adjusted the aggregated value upon his recommendations of using the insurance policy for household goods and personal effects.

Signature of Reporting Official or Candidate

Under the penalties of perjury, I declare that I have read the foregoing Form 6X and that the facts stated in it are true.
