**Amendment Reason**

Explanation of changes why are you amending your previous form 1 submission?

**In reviewing my previously filed Form 1 for 2025, I read more closely the reporting section on "Intangible Personal Property" and was unsure if my late 2025 personal retirement planning investment through Edward Jones should have been reported then. This recent investment for future retirement purposes does not involve proceeds from, nor any participation in a "Business Entity" (as stated in this reporting section), but was rather made possible by recent family inheritance, allowing me to initiate personal investment products held within IRA/401K/brokerage accounts through Edward Jones, also exceeding the \$10,000 minimum indicated in that "Intangible Personal Property" reporting section. It is now being reported through this amendment before the filing deadline, "out of an abundance of caution," to ensure my compliance with the intent of Form 1 for 2025. All previously reported items on Form 1 for 2025 are unchanged and correct and should continue to apply as previously.**
