**Training**

Based on the office or position you hold, the certification of training required under Section 112.3142, F.S., is not applicable to you for this form year.

**Amendment Reason**

Explanation of changes why are you amending your previous form 6 submission?

**The change was to the amount in the IRA account with American Century only. The amount was initially entered at \$300,000 as an error in entry because the asset listed above this asset was \$300,000, and the IRA amount was amended immediately to the correct amount of \$41,087.33. Note: Please be advised that the system, however, would not allow the amendment to the IRA amount only without entering again the Income and Liabilities. There were no changes, however, to the income and liabilities sections,**

**Signature of Reporting Official or Candidate**

Under the penalties of perjury, I declare that I have read the foregoing Form 6X and that the facts stated in it are true.
