Notice to Employee

Do you have to file? Refer to the Form 1040 instructions to determine if you are required to file a tax return. Even if you don't have to file a tax return, you may be eligible for a refund if box 2 shows an amount or if you are eligible for any credit.

Earned income credit (EIC). You may be able to take the EIC for 2023 if your adjusted gross income (AGI) is less than a certain amount. The amount of the credit is based on income and family size. Workers without children could qualify for a smaller credit. You and any qualifying children must have valid social security numbers (SSNs). You can't take the EIC if your investment income is more than the specified amount for 2023 or if income is earned for services provided while you were an inmate at a penal institution. For 2023 income limits and more information, visit www.irs.gov/EITC. See also Pub. 596. **Any EIC that is more than your tax liability is refunded to you, but only if you file a tax return.**

Employee's social security number (SSN). For your protection, this form may show only the last four digits of your SSN. However, your employer has reported your complete SSN to the IRS and the Social Security Administration (SSA).

Clergy and religious workers. If you aren't subject to social security and Medicare taxes, see Pub. 517.

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file Form W-2c, Corrected Wage and Tax Statement, with the SSA to correct any name, SSN, or money amount error reported to the SSA on Form W-2. Be sure to get your copies of Form W-2c from your employer for all corrections made so you may file them with your tax return. If your name and SSN are correct but aren't the same as shown on your social security card, you should ask for a new card that displays your correct name at any SSA office or by calling 800-772-1213. You may also visit the SSA website at www.SSA.gov.

Cost of employer-sponsored health coverage (if such cost is provided by the employer). The reporting in box 12, using code DD, of the cost of employer-sponsored health coverage is for your information only. **The amount reported with code DD is not taxable.**

Credit for excess taxes. If you had more than one employer in 2023 and more than \$9,932.40 in social security and/or Tier 1 railroad retirement (RRTA) taxes were withheld, you may be able to claim a credit for the excess against your federal income tax. See the Form 1040 instructions. If you had more than one railroad employer and more than \$5,821.20 in Tier 2 RRRTA tax was withheld, you may be able to claim a refund on Form 843. See the Instructions for Form 843.

(See also *Instructions for Employee* on the back of Copy C.)

Instructions for Employee

(See also *Notice to Employee* on the back of Copy B.)

Box 1. Enter this amount on the wages line of your tax return.

Box 2. Enter this amount on the federal income tax withheld line of your tax return.

Box 5. You may be required to report this amount on Form 8959. See the Form 1040 instructions to determine if you are required to complete Form 8959.

Box 6. This amount includes the 1.45% Medicare tax withheld on all Medicare wages and tips shown in box 5, as well as the 0.9% Additional Medicare Tax on any of those Medicare wages and tips above \$200,000.

Box 8. This amount is **not** included in box 1, 3, 5, or 7. For information on how to report tips on your tax return, see the Form 1040 instructions.

You must file Form 4137 with your income tax return to report at least the allocated tip amount unless you can prove with adequate records that you received a smaller amount. If you have records that show the actual amount of tips you received, report that amount even if it is more or less than the allocated tips. Use Form 4137 to figure the social security and Medicare tax owed on tips you didn't report to your employer. Enter this amount on the wages line of your tax return. By filing Form 4137, your social security tips will be credited to your social security record (used to figure your benefits).

Box 10. This amount includes the total dependent care benefits that your employer paid to you or incurred on your behalf (including amounts from a section 125 (cafeteria) plan). Any amount over your employer's plan limit is also included in box 1. See Form 2441.

Box 11. This amount is (a) reported in box 1 if it is a distribution made to you from a nonqualified deferred compensation or nongovernmental section 457(b) plan, or (b) included in box 3 and/or box 5 if it is a prior year deferral under a nonqualified or section 457(b) plan that became taxable for social security and Medicare taxes this year because there is no longer a substantial risk of forfeiture of your right to the deferred amount. This box shouldn't be used if you had a deferral and a distribution in the same calendar year. If you made a deferral and

received a distribution in the same calendar year, and you are or will be age 62 by the end of the calendar year, your employer should file Form SSA-131, Employer Report of Special Wage Payments, with the Social Security Administration and give you a copy.

Box 12. The following list explains the codes shown in box 12. You may need this information to complete your tax return. Elective deferrals (codes D, E, F, and S) and designated Roth contributions (codes AA, BB, and EE) under all plans are generally limited to a total of \$22,500 (\$15,500 if you only have SIMPLE plans; \$25,500 for section 403(b) plans if you qualify for the 15-year rule explained in Pub. 571). Deferrals under code G are limited to \$22,500. Deferrals under code H are limited to \$7,000.

However, if you were at least age 50 in 2023, your employer may have allowed an additional deferral of up to \$7,500 (\$3,500 for section 401(k)(11) and 408(p) SIMPLE plans). This additional deferral amount is not subject to the overall limit on elective deferrals. For code G, the limit on elective deferrals may be higher for the last 3 years before you reach retirement age. Contact your plan administrator for more information. Amounts in excess of the overall elective deferral limit must be included in income. See the Form 1040 instructions.

Note: If a year follows code D through H, S, Y, AA, BB, or EE, you made a make-up pension contribution for a prior year(s) when you were in military service. To figure whether you made excess deferrals, consider these amounts for the year shown, not the current year. If no year is shown, the contributions are for the current year.

A—Uncollected social security or RRTA tax on tips. Include this tax on Form 1040 or 1040-SR. See the Form 1040 instructions.

B—Uncollected Medicare tax on tips. Include this tax on Form 1040 or 1040-SR. See the Form 1040 instructions.

Your amended return checklist

Just follow these steps and you're done!

1

If you're amending a state return, separate it from your federal return and follow the instructions

Your returns will print together, so you'll need to separate them. Both returns start with an instruction sheet featuring the Intuit TurboTax logo on the top right.

If you added or changed a tax form (like a W-2), **attach a copy** to each return. If a copy of your federal return is printed under your state return, **attach the federal copy** to your state return.

2

Sign and date your return(s)

You'll have to sign and date at the bottom of your return(s). Your federal return is named Form 1040X. If you're filing a state return, the form is located right after the state instructions sheet.

3

If you have a balance due, pay online or send a check with your return

You can pay your federal taxes online at www.irs.gov/payments.

If you're getting a refund, you'll get a paper check in the mail.

4

Write the correct address on your envelope(s)

You can find the mailing address for your federal return on the federal instructions sheet. If you're filing a state return, the address is listed on the state instructions sheet.

5

Drop your return(s) off at the post office

We recommend sending your return(s) by certified mail to ensure correct postage and proof of delivery.

That's it! Here are a few things to keep in mind after you mail your returns:

- Your amended returns will take 12-16 weeks to process.
- You can track your federal amended return at <https://www.irs.gov/filing/wheres-my-amended-return>.
- If you used a paid version of TurboTax, you'll be able to access your amended return at any time. When you log in to TurboTax, scroll down on Tax Home, and click on My Docs to download a copy.

Form **8889** (2023)

ELECTRONIC POSTMARK - CERTIFICATION OF ELECTRONIC FILING

Taxpayer: Bryan S Swartz

Primary SSN: _____

Federal Return Submitted: 2024-02-04T11:40:43.897-08:00

Federal Return Acceptance Date: 02/04/2024

The Intuit Electronic Postmark shows the date and time Intuit received your federal tax return. The Intuit Electronic Postmark documents the filing date of your income tax return, and the electronic postmark information should be kept on file with your tax return and other tax-related documentation.

There are two important aspects of the Intuit Electronic Postmark:

1. THE INTUIT ELECTRONIC POSTMARK.

The electronic postmark shows the date and time Intuit received the federal return, and is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal individual income tax return.

TIMELY FILING:

For your federal return to be considered filed on time, your return must be postmarked on or before midnight April 15, 2024. Intuit's electronic postmark is issued in the Pacific Time (PT) zone. If you are not filing in the PT zone, you will need to add or subtract hours from the Intuit Electronic Postmark time to determine your local postmark time. For example, if you are filing in the Eastern Time (ET) zone, and you electronically file your return at 9 AM on April 15, 2024, your Intuit electronic postmark will indicate April 15, 2024, 6 AM. If your federal tax return is rejected, the IRS still considers it filed on time if the electronic postmark is on or before April 15, 2024, and a corrected return is submitted and accepted before April 20, 2024. If your return is submitted after April 20, 2024, a new time stamp is issued to reflect that your return was submitted after the IRS deadline, and consequently, is no longer considered to have been filed on time.

If you request an automatic six-month extension, your return must be electronically postmarked by midnight October 15, 2024. If your federal tax return is rejected, the IRS will still consider it filed on time if the electronic postmark is on or before October 15, 2024, and the corrected return is submitted and accepted by October 20, 2024.

2. THE ACCEPTANCE DATE.

Once the IRS accepts the electronically filed return, the acceptance date will be provided by the Intuit Electronic Filing Center. This date is proof that the IRS accepted the electronically filed return.

For the year Jan. 1–Dec. 31, 2023, or other tax year beginning _____, 2023, ending _____, 20____		See separate instructions.
