Plan investment information

* The performance data quoted above represents past performance; past performance does not guarantee future results. Investment return and principal value will fluctuate so your account balance, when redeemed, may be worth more or less than your original cost. Current performance may be lower or higher than the performance data quoted.

Prospectuses are available for the mutual funds that are underlying options of the group variable annuity. The prospectus contains information on the fund's investment objectives, risks, charges and expenses, and may be available from the plan sponsor. An investor should consider the investment objectives, risks, charges and expenses of the group variable annuity and underlying funds carefully before investing.

The performance shown reflects the deduction of the average operating expense of the underlying mutual fund or collective investment trust, as well as investment management fees or separate account fees that are charged by Lincoln under the group variable annuity contract. All other contract fees, including the asset charge, have not been deducted. Asset charges vary by contract but typically range from 0.00% to 1.50% of a participant's account (percentages are annual). If these fees had been deducted, this performance would have been lower. More information about your contract's asset charge or any other contract charges can be obtained by speaking with your Plan Sponsor.

Instances of high double-digit investment returns are highly unusual and cannot be sustained. Investors should be aware that returns vary due to market conditions. These portfolios may contain different investments than similarly named mutual funds offered by the same money manager. Investment results may be higher or lower. Refer back to this website (www.LincolnFinancial.com) for current performance.

Monthly hypothetical performance is based on the fund inception date which predates the inclusion of the fund in the product.

Lincoln DirectorSM, a group variable annuity contract, is issued on variations of contract form 19476 and state variations and amendment forms AR-450 or AR-450A and AR-451 or AR-451A by The Lincoln National Life Insurance Company, Fort Wayne, IN, and distributed by Lincoln Financial Distributors, Inc., Radnor, PA, a broker-dealer. Contractual obligations are subject to the claims-paying ability of The Lincoln National Life Insurance Company.

Contracts sold in New York are issued on variations of contract form 19476NY and amendment forms AR 450 or AR-450NYA and AR451 or AR-451NYA by Lincoln Life & Annuity Company of New York, Syracuse, NY. Contractual obligations are subject to the claims-paying ability of Lincoln Life & Annuity Company of New York.
