Amendment Reason

Explanation of changes why are you amending your previous form 6 submission?

I erroneously listed this as my Drop account that has since been changed when I retired it should have been listed as Nationwide Retirement Solutions. The amount previously listed was correct. I just had the wrong description of assets. Also, I had listed Truist Investments erroneously as Invest Investment's the amounts were correct. I had just described the asset incorrectly not the value of the assets. All the other assets listed on my original Form 6 are correct to the best of my knowledge so I have not relisted them. For some reason, it keeps asking me my household account, which I relisted and the value of my residence, which I had previously listed correctly on one of the amendments. The instructions on the amendment say I just change the things that were incorrect or needed to be added all the other assets and the one liability I have, which is my mortgage to Truist Bank 111,087.61 is correct to the best of my knowledge. I pay all my other obligations off at the end of the year
