Amendment Reason

Explanation of changes why are you amending your previous form 6 submission?

I listed Truist Investments as a mutual fund which it is but it also includes three stocks which I have now listed separately. They have sent me at least two documents changing the dividend amount in the last one increasing the total dividends by \$430.59. It is also possible I mistyped it originally. That has been added now to my net worth and updated in this amendment. I believe the amount of the Truist Investment was correctly listed originally except for the change in dividend. The dividends are now listed separately. The dividend for Truist INVESCO was \$532.61 and for YUM CHINA it was \$261.42 so they are not listed separately as income over \$1000.00 but they are included in the totals for each fund and my net income. In addition INVESCO had a non-dividend distribution of \$271.72. None of these dividends nor the \$271.72 were paid directly to me but were put back into INVESCO and the stocks. In addition there is \$129.63 cash in the Investment fund.
